

Annual Parish Meeting Report

Hello, I am Maxine Herstmonceux Parish Council's Administration Assistant. I started in the role just before Christmas and am really enjoying it. The work of the Parish Council is so varied and everyday is different from planning matters to streetlights. It has been so exciting to see projects progress such as the children's play area and the new car park.

I have a keen interest in the environment and have been looking at ways to lower the carbon emissions of the Parish Council. We would love input from parishioners so if anyone has any ideas, they would be gratefully received.

I am also working on making our social media page a little more community minded with possibly sharing a recipe day or other information. If anyone has any photos they would like to share with us on our social media pages, of the village or surrounding countryside, of walks you have enjoyed, views you love, wildlife etc we would love to see them all.

The allotments as ever have provided a source of joy to so many, especially during these difficult few months. Currently all allotments have tenants, but the waiting list is relatively short, so if anyone wants to express an interest in having an allotment in the future, please email: admin@herstmonceuxparish.org.uk

As we lockdown restrictions ease, I am going to be back in the Parish Council office on Tuesdays. Please come in and have a chat if you have ideas or questions, or just want a chat. There is always someone there to help if you are in need.
