

Herstmonceux Annual Parish Meeting 26.04.2021

Report from Herstmonceux Free Church

Herstmonceux Free Church aims to share the good news of Jesus and provide a place for worship and fellowship for all members and friends. It also aims to help members support the local community and in this we are aided by our family and community worker.

As for everyone, the pandemic meant that many things had to change or be curtailed. One change was releasing our community worker to be able to assist much more in Warwick and Radcliffe Pharmacy where there was much pressure from March 2020. Most significantly for us was the suspension of Sunday services at the chapel. We quickly discovered the blessings of zoom! So much so that when we returned to the chapel in July 2020 we continued to have our service on zoom at the same time for those too vulnerable to return to the chapel. With the second lockdown in November we were all back on zoom and it is only now that we are planning to return to the chapel on Sunday 9th May.

To celebrate the easing of restrictions we are planning a barbecue at the chapel on Friday 9th July at 7.30pm and we will invite people in our community to join us.

As restrictions lift our community worker is once again getting more involved in the local activities in Herstmonceux parish.

We hope to be back for our monthly 1st Sunday morning sessions at the Village Hall from September to which all are warmly invited.

Other activities will be advertised as they reopen.
