

Report from Tiddlers & Toddlers, Annual Parish Meeting 26th April 2021

We are a voluntary run Parent, Babies, and Toddlers group. We meet every Wednesday of term time, from 9.30-11.30am at the Village Hall.

As has been the case for everyone, this has been a very odd year or so for our group. We closed with the first lockdown, and reopened in September. We then closed again for the second lockdown in the Autumn, but are reopening again this week.

Throughout the pandemic it has been difficult to assess exactly which guidelines applied to a group like ours, and though as a charity we would have been able to continue to run over this last lockdown, we have been cautious, and always kept the local statistics in mind while making our decisions.

The Village Hall has been very kind and understanding, in allowing us to be flexible about when we start back. We have also moved to the Big Hall at the Village Hall this year, which has been a lovely bonus, and means that when we are running the group, we can safely and comfortably host the prescribed number of families.

We have been really sad, as parents ourselves, to have missed out on this precious time at Tiddlers, as we have built lovely friendships in our time at the group, and we have always appreciated the opportunity for our children to socialise. It is lovely to have a group right here in the village.

With this in mind, we are so pleased to be reopening this week, on the 28th of April, and look forward to welcoming back new and longstanding members.

We are limited on spaces, so we will have a fixed membership of 15 families for the time being. If you are interested please look us up on facebook, or feel free to email Liz Ford on elizabethmarionford@gmail.com."

Thanks!

Liz
