

Herstmonceux Parish Council Community Forum

Your Parish Council needs you!

Local residents young and old, local groups and businesses
You are all welcome to join our
COMMUNITY FORUM

- working together to come up with creative
solutions to respond to local issues and improve facilities and services

The Parish Council is busy delivering the current Neighbourhood Plan and
now wants your input into their planning for the next 3 - 4 years.

Projects will include (but not restricted to):

- * Climate emergency commitments and activities
 - * Community speedwatch
- * Sports and leisure consultation and projects
- * Long term plans for the Public Toilets improvements

Do you have ideas, skills or just passion?

Do you have time to give, to help transform your community?
